ABOUT US

DOCSAFE INS. CONSULTANT PVT. LTD. was incorporated on 24 AUGUST. As a Pvt. Limited Company under the Indian Companies Act, 2013. The main objective of DOCSAFE is to help and protect the Doctor members/Medical Establishments financially & physically whenever there is any professional negligence occurred while performing their duty, whether it may be a legal liability or a financial liability.

WHO WE ARE?

DOCSAFE INS. CONSULTANT PVT LTD. is perhaps the organized body, which puts all its efforts to provide shield to Doctors/Medical Establishments all over India. Right from the day of its inception, DOCSAFE INS. CONSULTANT PVT LTD. gained a wide recognition from the Doctors all over India. During the last 7 years operation, more than 2,0 health professionals have registered with DOCSAFE and still counting.

DOCSAFE has a very strong legal cell consisting of senior & experienced advocates, retired judges of Hon'ble High Courts as well as Hon'ble Supreme Court of India to contest the cases of its doctor members. DOCSAFE also has a medical advisory board consisting eminent and senior doctors from various specialities. DOCSAFE feels that such a technical subject such as "medical science" should not be let loose at the hands of novice who does not have the requisite knowledge of the subject, so at the time of contesting a case DOCSAFE equips its legal cell with the advice of medical advisory board. DOCSAFE does not guarantee "success" in case but assures methodical, industrious and the result oriented efforts.

WHY DOCSAFE?

The First and Foremost Company in India came out with the concept of providing professional protection to Medical Practitioners / Establishments all over India. Promoted by the Doctors who knows the beeps and pulse of medical fraternity. Fully equipped field network to sort out the legal problems of our member Doctors/Medical Establishments pertaining to CPA cases. Fully computerized branches to keep update status of the members and to provide uninterrupted indemnity insurance Benefits. Best medico legal experts of different branch of medicines in the Panel of Advisors to provide timely guidance to the arguing counsels.

Always Together
